

HOW TO MAKE A GOOD BOAT EVEN BETTER

# BOATYARD

## PICK YOUR FAVORITE YARD

We've had a great response to our request for you to select your favorite yard. Please keep the notes coming to [gsass@aimmedia.com](mailto:gsass@aimmedia.com) and include the details of your favorite boatyard and why its crew is the best. This month our reader selection is Eldean Shipyard in Macatawa, Michigan ([www.eldean.com](http://www.eldean.com)).

Power & Motoryacht reader  
William John Smith writes:

*"The level of facilities, maintenance, and service is an order of magnitude better than any other shipyard I have been at. An excellent family-owned business with three generations of the family active and attentive to their customers."*

Please drop us a line about your favorite yard. Happy cruising.

## THIS MONTH

**86** LED Lighting Refit
